No such structure shall be built on any Unit without the prior approval of the Architectural Control Committee. Any detached outbuilding to be constructed on any Unit shall be built in conformity with the primary residence, and shall be constructed in the same or similar manner and with the same or similar exterior materials.

All erosion control measures shall be performed by personnel trained in erosion control practices and shall meet the design criteria, standards, and specifications for erosion control measures established by the Indiana Department of Environmental Management in guidance documents similar to, or as effective as, those outlined in the Indiana Handbook for Erosion Control in Developing Areas from the Division of Soil Conservation, Indiana Department of Natural Resources.

(b) Unit Owners and their builders shall indemnify and hold Declarant harmless from and against all liability, damage, loss, claims, demands and actions of any nature whatsoever which may arise out of or are connected with, or are claimed to arise out of or connected with, any work done by builder, builder's employees, agents or subcontractors which is not in compliance with the erosion control plan implemented by the Declarant.

**4.23. Participating Builder:** All Buildings intended for use as a Dwelling Unit must be built by a Participating Builder (defined as builder who has entered into a Participating Builder Agreement). A Participating Builder must be a member of a warranty program. The requirement that a Participating Builder be a member of a warranty program may be waived by the Architectural Control Committee at the request of a Unit's Owner; provided, however, the Owner and builder agree in writing to hold Declarant, its successors and assigns, harmless from any injury, damages or claims arising out of the construction, occupancy, or other claims related to the Committee's approval of any structure granted under such a waiver.

**ALL PERSONS INCLUDING ALL OWNERS, ARE HEREBY ADVISED THAT NO REPRESENTATIONS OR WARRANTIES, EITHER WRITTEN OR ORAL, HAVE BEEN OR ARE MADE BY THE DECLARANT OR ANY OTHER PERSON WITH REGARD TO ANY WORK PERFORMED BY ANY PARTICIPATING BUILDER. NEITHER THE DECLARANT NOR THE ASSOCIATION SHALL BE HELD LIABLE FOR ANY LOSS RESULTING FROM THE CONSTRUCTION, CONDUCT, OR ANY OTHER ACT OF A PARTICIPATING BUILDER.**
