

**ABERDEEN**

**2010 PRIVATE SWIM LESSONS**

We are interested in having a lifeguard contact us to discuss private swim lessons for our family members. The lessons would be one on one for \$10.00 per 30 minute session and would be by appointment only, weather permitting, before the pool opens or during off peak times. The parents or legal guardians of a minor must sign a release of liability prior to commencement of lessons. All payments must be by check made payable to the order of "Aberdeen POA".
